

Fabrication

Component Fabrication

With your technical drawings or simple specification (depending on the complexity of your part) we can fabricate your custom parts. Parts costs are figured at time and materials. Some parts may require fixtures.

Custom Exhaust

The primary focus at SPD continues to be supplying fabricators and distributors with quality components. We do still regularly put those parts to use building custom headers and exhaust systems. If you are within towing distance, say 2 - 2000 miles, please call and talk to us about bringing your race car, boat, motorcycle, or street rod in for some new pipes.

Racing Headers

SPD produces headers for a number of racing classes with standard engine / chassis configurations.
